## A charitable bequest is an easy way for you to leave a Legacy of Faith!

- ◆ It costs you nothing today to make a bequest.
- ◆ A bequest is free of federal estate tax.
- ◆ You can alter a bequest in the future.
- ◆ You can provide for your family and still Leave a Legacy.
- ◆ A bequest will often provide estate tax savings.

Please let us know if you have already included the Catholic Foundation, benefiting Catholic education or your favorite parish or ministry, in your estate plan or if you are considering doing so.

We would love to hear from you.

## Leaving a Legacy of Faith

### Whose praises do you want to sing?

Who is inspiring the youth in your parish?  
Who is the first to come to school and the last to leave?

Who do you know that is living their faith generously in their support of Catholic education?

The Foundation is now accepting nominations for the 2017 Champions of Education Awards. The Champion of Education Awards honor and celebrate individuals for their outstanding efforts, contributions, and achievements on behalf of Catholic school and parish education.

Awards will be presented during the Celebration of Faith on Saturday, October 7<sup>th</sup> at the Yakima Convention Center.

Nomination forms are available at <http://cw catholic foundation.org> or by calling the office at 509-972-3732.

*To help children, boys and girls, young men, women, and adults to know and to love the Lord ever more is one of the most beautiful educational adventures, for it comprises the Church!*

The Catholic Foundation would like to sincerely apologize for failing to acknowledge Saint Martin's University in the November newsletter. We greatly appreciate your continued partnership in the Celebration of Faith.

Blessed Sacrament in Grandview held an All Saints Fair. Students created projects as individuals or as classes to share their research about a saint of their choosing. The projects were on display after all the Masses. A great project — we will do it again!

Attendees of Holy Family VBS in Yakima encountered Super heroes—Superman and Elijah, Batman and David, Spiderman and Moses. On the final day, the best Superhero of all came to meet the 120 campers, Jesus!

During a Palm Sunday prayer service, members of the St. Paul Cathedral Life Teen group placed their phones at the foot of the cross to represent surrendering ourselves over to Christ. A powerful and symbolic gesture given the fact that many of us “live” on our phones.

The St. Joseph in White Salmon Confirmation group will once again travel to St. Andre Bessette Catholic Church in downtown Portland, OR to participate in an immersion retreat. They will assist in multiple soup kitchens, tour the area, and learn about the services available to the homeless.

Our Lady of Lourdes in Selah had a great VBS program in 2016 with a theme of the History of Jesus. Daily themes included Moses, David, the Birth of Jesus, the Last Supper, and the Resurrection of Jesus. Three teenagers provided assistance, involving the kids in skits, and crafts.

Understanding that parents are the first teachers in passing on the faith, St. Joseph Parish in Yakima utilizes their team of 40 volunteer catechists to provide both parents and children with the same lessons each week. The program has brought families together and it has built a strong parish community.

## From the Principal's Office

"The Catholic school is a place where a child knows his or her own dignity and worth before they even know the definition of dignity.

In everything we do, in everything we say, and everything we set the school up to be, it has to start with these students are the children of God. It doesn't matter what their skills or abilities, whether they're struggling academically, or they're brilliant academically.

When you start looking them [the children] as this is a gift of God, then the value of what we do in that relationship just is exponentially more powerful.

"It's important in any endeavor to recognize where your supports are and we are so grateful to the Central Washington Catholic Foundation for supporting not just Ignacio and his family but for supporting Catholic education all around the diocese.

**It's such an important thing for us to be able to look at the children that we stand in the pew with in each of the parishes and look down at them and know yes we are going to help fund the formation of that child, so that they can continue with the mission of the Church."**

## The Friends of the Foundation — A Catholic Success Story

Dear Friends,

You are a blessing! Recently, I added up the total gifts that you have made possible over the years. Since 2002, the Central Washington Catholic Foundation has awarded nearly \$2,000,000 to parishes and schools – primarily to support and promote Catholic education. That is a big number and it would not be possible without your faithful, generous Gifts of Faith!

Please join myself, the Trustees, and Bishop Tyson (all but Kennewick) for one of the Friends of the Foundation luncheons listed below. We promise that you will be uplifted and inspired as we recap the Teaching of the Faith in 2016. We encourage you to invite a friend to join you in sharing in this celebration.

I cannot wait to meet with you and share the good news about the work that you have done. Your support is helping to ensure that everyone in Central Washington has access to Catholic education in their parishes and schools. Lunch is on us, so register soon.

Blessings,  
Kathleen Wilmes
